

Sing to hope

Text + Musik: Markus Max Schell

www.klaviertaste.com

Sing with love,
sing with faith,
sing with all your might –
now we sing to hope.

Sing with love,
sing with faith,
sing with all your might –
now we sing to hope.

Sopran: One day the clouds will disappear.

Alt/Tenor/Bass: Uuh-uuhh - dis-a-ppear.

Sopran: One day we will be standing near.

A/T/B: Uuh-uuhh – nee-ear.

Sopran: Hear the choirs sing - and smile,

A/T/B: Mmhh-mmhh, mmhh-mmhh

Sopran/Alt: Voices raise up high.

T: Aahh, aahh

B: Mmh, aahh

Sing with love,
sing with faith,
sing with all your might –
now we sing to hope.

Sing to hope!
Raise your voice!
Sing to hope!
Let's rejoice!
Sing it loud and
sing it calm, oh,
sing to hope.

Sing with love,
sing with faith,
sing with all your might –
now we sing to hope.

Sing with love,
sing with faith,
sing with all your might –
now we sing to hope.

Sing to hope!
Raise your voice!
Sing to hope!
Let's rejoice!
Sing it loud and
sing it calm, oh,
sing to hope.
Sing to hope!
Raise your voice!
Sing to hope!
Let's rejoice!
Sing it loud and
sing it calm, oh,
sing to hope.
